Port Washington businesses have gotten into the holiday spirit for a second straight year, decorating their windows in seasonal themes. Some 21 merchants participated this year, and their handiwork will be up until after Christmas. Those that are felt to have gone above and beyond are honored by the Chamber of Commerce, which awards what it feels are the three best displays. This year, Wit & Whim at 6 Carlton Ave. won first place, Painting With Flowers at 298 Main St. was second and Alper's Hardware at 81 Main St. was third.
